

STATEMENT REGARDING COVID-19

On behalf of ImportMeet.com, StanceWars, and Pacific Raceways we wanted to express our concern for the local community that is being impacted by the COVID-19 virus. We have been monitoring the situation this week and staying up to date with all federal, state, and local guidelines, including that of the CDC, Washington state Emergency Management and King County Public Health. **At the time of this writing our event is proceeding as planned.**

We wanted to let you know what we are doing to further enhance the safety of everyone in attendance:

- We ask that anyone having symptoms of a cold or flu to please stay at home for the safety of everyone in the community.
- We will have additional hand washing stations available.
- In areas where money and food are being handled, staff members will take extra precautions and wash their hands more frequently.

We will be monitoring the situation with all of our local partners and report back to you immediately if we have new information.

For additional information about COVID-19 and response of the State of Washington and King County, please refer to the following links.
