

Show Groups / Classes for Awards

We will attempt to park cars in these main groups together to allow for easier judging and a more cohesive show experience. If you need to change your Show Group or Class after registration, please send an email to info@importmeet.com.

Every Show Group and Class listed below will be used to create an award. Examples: Best Stock WRX 22+, Best Modified Impreza 93-01, Best Race/Rally Impreza/WRX/STi 02-05.

Stock

Simply stock. Well-maintained cars that look like they belong on the showroom floor. Judged for cleanliness and overall condition only. Basic modifications do not improve a score in this group.

OEM+

How Subaru *should* have made it! Mild modifications like bolt-on performance, wheels, lowering springs, lips, etc.

Modified

Heavier modifications like coilovers, suspension parts, kits, aftermarket interior, turbo upgrades, audio, etc.

Race / Rally

Full-on race cars. These are purpose-built machines with roll cages, stripped interior, and/or complete engine builds/swaps. Livery and engineering quality improves a score in this group.
